RE: Assessment - Parent Information Session and Q&A

Dear Parent/Carer,

As a school we have recently updated our assessment processes. These changes affect all pupils and parents, as well as introducing new elements that you are unlikely to be familiar with at this stage. Some of this information is available on the school website, however this meeting will provide context and further information to help clarify. Therefore, I would like to invite all parents to a **Parent Information Session and Q&A on Assessment on Thursday 30th January at 3.30pm – 4.30pm.**

It will be an opportunity for you to find out more about the new assessment practices at the school, ask questions and provide feedback. We hope it will make it easier to understand the information you receive at parents' evening, during annual reviews and in yearly school reports.

We will be exploring the following questions and any others that you may have:

- Why has the school made changes to assessment practice?
- How is my child assessed?
- What is expected progress/outcomes, and what qualifications should my child expect to achieve?
- How is information shared with parents/carers?
- What does assessment data demonstrate about the progress of Woodlane?
- How does Woodlane compare to other schools?

We would love to see as many parents in attendance as possible.

Please confirm if you will be able to attend using the reply slip below or contact me at school for more information.

Tim Heapy
Deputy Head KS4
