## Characteristics of School

- Following the completion of the new build extension in 2015, it was mutually agreed with the LA, that from April 2016 we were able to increase our roll to 100 pupils. We currently have 103 pupils on roll, which includes 11 pupils in the Medical Needs Unit, 2 pupils are due to start with us in the next couple of weeks, resulting in 105 pupils on roll. The school is heavily over-subscribed, however, careful consideration is always made to ensuring pupils are appropriately placed. The school also ensures that, when appropriate for an individual pupil, we encourage a supported transition to mainstream provision. In 2017-2018 our roll number was affected due to an LA error, however, following efforts from the school to rectify the problem, numbers increased over the year. It should be noted that the school therefore transitioned a number of 'mobile' pupils during the year, which came with its challenges.
- At Year 7 entry pupils' abilities range from P6 to Level 5, using B-Squared level indicators. The average level on entry is between levels 1 – 2.
- During the last financial year 42 pupils (44%) received pupil premium funding, this was a reduction from the initially budgeted figure of 47% and a reduction from 2016/17 and 2015/16, when this figure was 60%.
- The school has a mutually beneficial link with mainstream Burlington Danes Academy (BDA), where more able pupils are able to gain mainstream experience and less able BDA pupils can receive additional SEN support at Woodlane. Pupils have permanently transferred in both directions. The school has also developed links with Kensington Aldridge Academy (KAA) over the last academic year, replicating the experience with BDA.
- A calm, learning-focused environment enables pupils with a range of moderate, specific and complex SENDs to raise their self-esteem, resilience, succeed academically and gain a variety of qualifications which reflect the best of their ability.
- Pupils are supported in raising their level of independence and therefore as a result, the vast majority of pupils gain mainstream Post 16 college placements, 0% of pupils have been NEET for over 3 years.
- The school's self-evaluation practices and improvement plans are analytical and reflective, as a result small areas for improvement are identified early and addressed to ensure these areas do not grow into significant areas of concern. The local authority adviser has recommended our SEF/SIP approach to other SEND schools.

## Overall Effectiveness – Outstanding

### Evidence

- The vast majority of pupils make and the majority exceed expected progress overtime, from their individual starting points, as a result, pupil progress is substantial and sustained.
- When comparisons are made with other similar schools recently judged as outstanding by Ofsted, Woodlane frequently outperforms its peers.
- Teaching and learning is outstanding across the large majority of subjects and in the remaining it is at least good. Pupils and staff have created 'Woodlane Outstanding Teaching and Learning' criteria, which are used to support and inform judgements on the quality of teaching and learning.
- The school uses the 'Woodlane Flight Path' to track levels of progress from individual starting points. The Flight Path is based on a combination of progression guidance and the outcomes and practice of recently judged outstanding special schools. Woodlane's expectations are appropriately challenging and often set above other outstanding special schools. If pupils fail to make at least expected progress, intervention strategies are always implemented swiftly.
- Leadership and management are outstanding at all levels, where staff regularly share their expertise with their colleagues and are self-motivated.
- Behaviour is outstanding and the school enables pupils, with a range of social and emotional difficulties, to develop skills to manage their own behaviour. A particular focus is placed on raising self-esteem and building resilience.
- The school provides thoughtful and wide-ranging promotion of pupils' spiritual, moral, social and cultural development.
- Pupils enjoy school and are passionate about their learning and their school. This is communicated informally and formally.
- Parents regularly communicate their positive view of the school and its practices.
- Staff overwhelmingly support the school's policies and practices and formally communicate their satisfaction.
- Evidence of progress is celebrated visually in Pupil Achievement Books. Pupils are encouraged to discuss their progress and actively do so.
- Following our Section 8 one day Ofsted inspection (May 2018) the school achieved Outcome 2 and we therefore await our full inspection, which is expected 1-2 years from our short inspection. We aim to demonstrate that the school is 'outstanding' in all categories.

### Refer to:

- Lesson observations.
- Book Look/work scrutiny.
- Progress data/Outcomes for pupil pack.
- Comparison reports.
- Behaviour data/Personal development, behaviour and welfare pack.
- Attendance data/pack.
- Pupil/Staff/Parent questionnaires.
- SIA and LA Advisor visits and reports.
- Case studies.
- Curriculum maps.
- Safeguarding/Health and Safety audits.
- Ofsted report.

### Supporting factors

1. The curriculum is broad and balanced and is highly multi-sensory and tailored to individual needs.
2. Speech, language and communication support is integrated into everyday practice.
3. Staff are clear on Woodlane progress expectations and aim for all pupils to make above expected progress.
4. The sensory room provides opportunities for targeted sensory support and enables pupils to manage their emotions ready for learning.
5. Senior leaders encourage innovation and value ideas from staff and pupils; ideas are used to shape school plans, policies and decision making.
6. Staff are effectively supported to make personal and subject developments, improvements are celebrated. Staff are held accountable for any underperformance, through the school's appraisal process.
7. The school's policies and practices exceed statutory safeguarding requirements, drawing on the support of various support agency partnerships, offering highly targeted 1:1 support where required.

Who? Purple – SLT/Governors

Grey – Subjects Leaders/Teachers

Pink – TAs/Cover Supervisor/Support staff

Blue – Support Agency Partnerships

**Areas for improvement – we are taking steps to:**

1. explore and refine subject specific qualifications to ensure qualifications are accessible and pupils' accredited outcomes reflect their progress;
2. develop and shape new Lead Practitioner role to ensure EHCPs are reviewed/delivered effectively and pupils meet their EHCP outcomes;
3. raise the quality of TA and Apprentice support to consistently outstanding to ensure the vast majority of pupils make substantial and sustained progress;
4. close the 50% gap in the proportion of 'Girls' who meet and exceed expected outcomes in Maths and the 10% gap in the proportion of 'Girls' who exceed expected outcomes in Maths; and
5. further improve the behaviour of key groups, 'Black African' 'White Other' 'Girls, particularly Year 10' 'ASD' and 'SEMH'.

## Effectiveness of Leadership and Management – Outstanding

### Evidence

- Leaders have an ambitious, yet achievable, vision for the school. Ofsted (May 2018) states, *'You [headteacher] lead with relentless ambition to secure the best possible outcomes for your pupils', 'Leaders at all levels are highly effective in their roles. This includes the school's governors...'* Leaders work closely with all staff to sustain a culture of high expectations.
- Leaders have very high standards for safeguarding, child protection, health and safety; creating a culture of vigilance. Ofsted (May 2018) states, *'Safeguarding records are kept meticulously. These provide strong evidence of swift follow-up and appropriate action being taken by leaders'*. Pupils feel safe and staff agree with their judgement. Staff at all levels are well trained to identify any causes for concern and understand the actions they should take.
- Leaders ensure all aspects of the school are thoroughly evaluated, considering feedback from all stakeholders and external professionals.
- Leaders evaluate the work and outcomes of the school against other similar outstanding SEND schools to ensure the provision at Woodlane is the best it can be.
- Leaders ensure that the skills of internal staff are utilised and developed to support and train both internal and external colleagues.
- Leaders systematically monitor pupil progress and ensure that, the very few pupils who are not making sufficient progress in specific areas, receive targeted support, so that gaps in levels of attainment and progress are closed rapidly in order that no pupil is left behind.
- Leaders ensure that the curriculum is creative, balanced and differentiated appropriately. The foundation subjects are valued equally to the core subjects.
- Leaders engage with parents regularly and, consequently, parents report excellent communication from the school.
- A high value is placed on extra-curricular and enrichment activities, therefore both teachers and TAs run a wide range of popular theme days, lunch time, after school/Saturday clubs and pupils attend purposeful educational visits regularly.
- Pupil Premium is spent effectively to raise the progress of disadvantaged pupils.
- Challenging and relevant performance management/appraisal targets are set for all staff to sustain high expectations.

- Leaders value collaborative work with support agency partnerships. They ensure SALT and OT support is embedded into an increasingly personalised curriculum.
- Leaders have a high presence and offer support to staff and pupils in regard to, teaching and learning, behaviour and social development, CPD is offered regularly, which is greatly valued by staff.
- Feedback from previous and current staff, state how much they have learnt during their time at Woodlane. All staff report they are proud to be a member of staff at Woodlane and that their contribution to the school is valued by the senior managers.
- Leaders ensure the school offers special education which is of value for money; which is achieved using the lowest special school top-up funding when compared to several London Local Authorities.
- Leaders ensure pupils are prepared positively for life in Britain and ensure fundamental British values are promoted throughout the school. British values are also embedded into the school's key values.

#### **Refer to:**

- New teacher induction file.
- Headteacher reports to governors and governor minutes.
- Parent/staff questionnaire.
- Assessment data/pack.
- SIA visits and reports.
- Financial reporting.
- Safeguarding/Health and Safety audits.
- Ofsted report.

#### **Supporting factors**

1. A highly motivated senior and middle leadership team inspire and challenge aspirations/expectations.

2. An active and motivated chair of governors ensures governor roles are distributed, governors attend formal focused visits and can therefore, challenge and hold the school to account accordingly. They also celebrate excellent practice.
3. The school uses a distributed leadership model where responsibilities are named and specific.
4. A collegiate approach to management ensures staff ideas are valued and utilised, staff are motivated and are well prepared to adapt to necessary changes.
5. A high emphasis is placed on teacher and TA development and training. Leaders actively encourage staff to gain post graduate qualifications.

**Areas for improvement – we are taking steps to:**

1. develop and shape new Lead Practitioner role to ensure EHCPs are reviewed/delivered effectively and pupils meet their EHCP outcomes;
2. develop and shape our external training offer to support external colleagues with SEND provision;
3. maintain outstanding safeguarding and child protection procedures;
4. create and develop links with teacher training providers and universities;
5. further raise the level of parental engagement; and
6. develop Food Technology/Science role to ensure all pupils make substantial and sustained progress.

Area for Improvement	What?	Who? (Lead)	Success Criteria?	When?	Progress	Cost

## Quality of Teaching, Learning and Assessment – Outstanding

### Evidence

- Teaching and learning are outstanding across the large majority of subjects and are typically at least good. Pupils and staff have created 'Woodlane Outstanding Teaching and Learning' criteria, which are used to support and inform judgements on teaching and learning.
- The quality of Teaching and Learning in English and Maths is consistently outstanding.
- Teachers plan lessons effectively, making effective and maximum use of lesson time.
- All teachers and teaching assistants use a range of SALT strategies to support pupils.
- The behaviour management and safety of pupils are outstanding.
- Pupils are keen to learn and are enabled to develop resilience to failure.
- Teachers and teaching assistants check pupils' understanding systematically throughout the lesson and adapt teaching accordingly.
- Teachers provide effective feedback to pupils in line with the school's policy.
- Teachers use a variety of multi-sensory methods to support pupils.
- Pupils enthusiastically report that they are taught well.
- Teachers are well qualified and have a deep understanding of their subject areas. The senior leaders support staff in achieving higher level qualifications e.g. In Dyslexia and Autism.

### Refer to:

- Lesson observations, work scrutiny, performance management.
- Teaching and Learning film bank.
- Learning walks.
- Evidence trial feedback.
- AMMR/Marking/Teaching and Learning policy.
- Book look feedback.

- Pupil, staff and parent questionnaires.
- Pupil conferences.
- SIA visits and reports.
- Ofsted report 2018.

### Supporting factors

1. Lessons are stimulating and interesting, using a highly multi-sensory approach, focused particularly on visual and kinaesthetic methods.
2. Lessons are structured and differentiated, to meet the complex needs of pupils, drawing on a high level of advice from support agency partnerships.
3. New technology is highly valued and used creatively to support learning.
4. Teaching assistants increasingly provide outstanding teaching and learning support and are encouraged to grow their specific skills, particularly when creating resources. The school provides on average 3 teaching assistant apprenticeships per year. Apprentices are well supported and report so to their college.
5. Teaching assistants provide whole school support for a named area of responsibility e.g. Emotional Literacy, Drawing and Talking, display etc.

### Areas for improvement – we are taking steps to:

1. maintain outstanding teaching and learning to ensure the vast majority of pupils make substantial and sustained progress;
2. ensure pupils are inspired and engaged in and out of the classroom;
3. raise the quality of TA and Apprentice support to consistently outstanding to ensure the vast majority of pupils make substantial and sustained progress;
4. ensure new teachers provide outstanding teaching and learning in their subject area; and
5. raise the consistency of homework provided.

Area for Improvement	What?	Who? (Lead)	Success Criteria?	When?	Progress	Cost
1. Maintain outstanding teaching and learning to ensure the vast majority of pupils make substantial and sustained progress.	<ul style="list-style-type: none"> <li>Review teaching and learning observation criteria with pupils and staff add 'learning' criteria.</li> <li>Review Book Look criteria with staff and amend as necessary.</li> <li>Model best practice evidence trails.</li> <li>At least 1 x teacher to gain SpLD qualification.</li> <li>Create quality of teaching and learning video compilation for the school website.</li> <li>Purchase 10 x ipads for computing, teacher to attend relevant training and incorporate strategies into teaching and learning.</li> <li>Refine the use of communicate in print.</li> <li>Ensure PGSS continues to be consistently used, by: Delivering First Award; Teacher refreshers; TA refreshers; Senior Management refreshers; Diploma and Certificate.</li> </ul>	<p>(RM)</p> <p>(TH)</p> <p>(SP/JJ)</p> <p>(FW)</p> <p>Teachers</p> <p>(RM/Sl)</p> <p>(KR/AC)</p>	<ul style="list-style-type: none"> <li>Updated outstanding teaching and learning criteria is used for lesson observations.</li> <li>Updated Book Look criteria is used for reviewing pupil books.</li> <li>Teachers have viewed at least 1 model evidence trail.</li> <li>Teacher gain SpLD Level 5 OCR qualification.</li> <li>All new staff gain PGSS First Award</li> <li>Teachers and TAs are confident in use of PGSS following refresher courses.</li> <li>Senior Leadership (SLT) are confident in use of PGSS following refresher course.</li> <li>At least 3 x key staff gain PGSS Diploma and Certificate.</li> </ul>	<p>Autumn Term</p> <p>Summer Term</p> <p>Autumn Term</p>	<ul style="list-style-type: none"> <li>Following review with pupils and staff Woodlane's '<i>outstanding teaching criteria</i>' was updated (November 2018), it now includes '<i>outstanding teaching and learning</i>' criteria.</li> <li>Book Look feedback criteria updated following staff review (18.12.18) and used in the Spring Term.</li> <li>Example evidence trail video produced and shared with teaching staff in teaching meeting (05/03/19). <b>Total Cost</b>						<b>£13,000</b>

## Personal Development, Behaviour and Welfare – Outstanding

### Evidence

- Behaviour is outstanding due to a consistent approach towards behaviour from all staff, using strategies which enable pupils to manage their own behaviour, for example, by self-referrals, regulation techniques and emotion coaching. The school is Attachment Aware.
- Rates of exclusions are very low when compared with national figures for mainstream and extremely low when compared with other special schools.
- Pupils consistently report they feel safe at Woodlane.
- All staff communicate that they agree pupils are safe at Woodlane.
- Strategies to raise attendance are regularly implemented and the pupils' attendance exceeds the national average for special schools and is very close to the national average for mainstream schools, despite the significant medical needs of a notable proportion of pupils.
- There are no significant differences between the behaviour and attendance of key groups, however, thorough analysis enables small differences to be identified and targets/interventions implemented.
- Pupils are well-prepared for the next stage of their education.
- The spiritual, moral, social and cultural development of pupils is outstanding.

### Refer to:

- Behaviour data/Personal development, behaviour and welfare pack.
- Attendance pack.
- Pupil, staff and parent questionnaires.
- Positive behaviour policy.
- Case studies.
- SIA reports.

- Safeguarding/Health and Safety audits.
- Ofsted report 2018.

### Supporting factors

1. Low level disruptive behaviour is supported by an office referral system, which is recorded, analysed meticulously and systematically. The data is used to identify where support is required, which is planned in a timely manner.
2. Pupils who receive an office referral are effectively supported back into class by the senior leaders, using a variety of individually tailored methods.
3. Lessons are calm and learning-focused, something which is regularly observed and commented on by visitors.
4. Attendance is regularly and effectively monitored by the SLT and governors including the analysis of groups.
5. Parents are actively involved in behaviour and attendance planning.
6. Support from external agencies is used effectively e.g. Respond therapy, SALT, OT etc.

### Areas for improvement – we are taking steps to:

1. further improve the behaviour of key groups, 'Black African' 'White Other' 'Girls, particularly Year 10' 'ASD' and 'SEMH';
2. further improve the behaviour of pupils in the Autumn Term;
3. further improve the attendance of key groups, 'White/Black Caribbean', 'Any other Black Background' and 'Girls';
4. further improve morning punctuality of named pupils who independently travel to ensure pupils are present for the start of tutor/assembly;
5. refurbish the playground environment and equipment to ensure it is more conducive to positive play/activity;
6. ensure all staff continue to be consistent in their approach to managing behaviour;
7. further develop pupils' sportsmanship; and
8. maintain strong mental health and well-being support.

Area for Improvement	What?	Who? (Lead)	Success Criteria?	When?	Progress	Cost
1. Further improve the behaviour of key groups, 'Black African' 'White Other' 'Girls, particularly Year 10' 'ASD' and 'SEMH.	<ul style="list-style-type: none"> <li>Schedule behaviour INSET training for new staff.</li> <li>Schedule training on 'pathological avoidance'.</li> <li>Provide direct support for named pupils.</li> <li>Create positive behaviour plans for named pupils.</li> <li>Engage with parents of named pupils regarding behaviour.</li> <li>Refer/continue mental health support for named pupils through RESPOND/Mind, Drawing and Talking and dog therapy.</li> <li>Give assembly on various medical conditions to ensure pupils better understand their peers' needs e.g. brittle bones and epilepsy etc.</li> <li>Consult diverse representatives from 'groups' via pupil conference regarding playground development.</li> <li>Consult 'Year 10 girls' and pupils with 'ASD' in pupil conference, asking</li> </ul>	<p>(RM)</p> <p>(KR)</p> <p>(RM)</p> <p>(CM)</p> <p>(RM)</p> <p>(Alex Greaves)</p>	<ul style="list-style-type: none"> <li>Reduce 'Black African' referrals by at least 25%.</li> <li>Reduce 'White Other' referrals by at least 25%.</li> <li>Reduce 'Black African' referrals by at least 25%.</li> <li>Reduce 'Year 10 Girls' referrals by at least 50%.</li> <li>Parents form part of positive behaviour plans.</li> <li>Favoured playground design is selected and works are scheduled.</li> <li>Reduce 'ASD' referrals by at least 50%.</li> <li>Reduce 'SEMH' referrals by at least 50%.</li> </ul>	<p>Autumn Term</p> <p>Spring Term</p> <p>Autumn Term</p>	<ul style="list-style-type: none"> <li>Black African referrals have reduced by 29%. ## Outcomes for Pupils – Outstanding

### Evidence

- Analysis of pupil progress indicates that achievement is outstanding across the school. This is because, pupils progress well from their different starting points and achieve or exceed standards expected within the school's curriculum.
- Using the Woodlane 'Flight Path' pupils attain outstanding outcomes in Year 11 when formal accreditations are considered. It should be noted that when accredited outcomes are compared with other similar outstanding special schools Woodlane pupils significantly outperform comparison schools.
- Woodlane pupils' academic starting points are often extremely low, their progress is compared carefully using DfE published data. When Woodlane's published scores (when adjusted for MNU) are compared with all other community SEND schools in England (459 schools), Woodlane regularly ranks in the top 5% nationally.
  - Woodlane's Progress 8 score of -1.24 (Year 11 cohort 2017/18 – published January 2019) is considered low when compared to all schools nationally, however, ranks 16<sup>th</sup> out of 459 (top 3%) when compared to only SEND schools. This highlights extremely positive outcomes for Woodlane pupils.
  - Woodlane's Attainment 8 score of 9.02 (Year 11 cohort 2017/18 – published January 2019) places it in 31<sup>st</sup> place (top 7%) nationally for similar community SEND schools.
  - Using this data for direct comparison with that of other school's also showcases Woodlane's outstanding outcomes for pupils. Pupils at Woodlane continue to score higher for Progress 8 than almost all of the other schools examined, including 3 schools who achieved an Outstanding Ofsted report in 2018, and 5 who achieved this in 2017.
- The vast majority of pupils made expected progress in 2017-2018 with 99.08% of expectations met, in 2016-2017 this figure was 98.89% and in 2015-2016 it was 97.68% demonstrating that progress over time continues to improve. Over 97% was achieved in all subjects, excluding DT, French and History.
- In 2017-2018 the majority of expectations (58%) were exceeded. This mirrors the previous year and surpasses the school target of 50%. In 2015-2016 54.43% of expectations were exceeded.
- Analysis of pupil progress indicates that achievement in English is outstanding, when compared to school's Flight Path, which takes into account the expectations of other outstanding special schools and national data.
- Analysis of pupil progress indicates that achievement in Maths is outstanding overall, when compared to school's Flight Path, which takes into account the expectations of other outstanding special schools and national data.
- Analysis of outcomes and pupil progress in 2017/18 indicates that there is little statistical significance between key groups.

Blue – Support Agency Partnerships

- The progress of the three largest ethnicity groups (WBRI, BAFR & BCRB) is outstanding, with WBRI and BAFR showing rapid progress over the last two academic years.
- The overall gap in progress between Pupil Premium and those not in receipt has closed.
- OMRC (3 pupils) and MWBC (5 pupils) are the ethnicity groups with the lowest percentage exceeding expected progress, however both groups had 100% of pupils meeting expectations.
- Pupils with the primary SEND of 'Other' (10 pupils) have not progressed as quickly as their peers in the core subjects.
- The progress of girls in Maths is below that of boys, with girls exceeding expected progress 10% less than boys.
- The number of pupils meeting and exceeding expectations in the three core subjects has improved year on year for four consecutive years.
- Pupil attainment is similar to or better than other comparable outstanding special schools. Links made with other outstanding special schools provide opportunities for comparison and critical analysis.
- The Investor in Careers accreditation evidences outstanding practice in preparing pupils for the next stage of their education and future life, and no pupils have been NEET for the last three years.

#### Refer to:

- Progress data/Outcomes for pupils report.
- Special school comparison data and DfE published data comparisons.
- Moderation reports
- Pupil Achievement Books.
- B-Squared data.
- Pupil trackers.
- Case studies.
- SIA visits and reports.
- Ofsted report 2018.

#### Supporting factors

**Who?** Purple – SLT/Governors

Grey – Subjects Leaders/Teachers

Pink – TAs/Cover Supervisor/Support staff

Blue – Support Agency Partnerships

1. Expectations are high and often exceed that of other outstanding special schools.
2. B-Squared is used effectively to track and report pupil progress.
3. The 'Woodlane Flight Path' is used to clearly demonstrate how pupils are progressing.
4. Target setting and monitoring is a collaborative process.
5. Pupils are partners in the target setting process.
6. Pupil Achievement Books visually demonstrate progress, which pupils are able to explain.
7. Staff and Senior Leaders analyse data robustly using a variety of different methods.
8. Pupil work is not only moderated internally on a regular basis, but also externally with staff from a variety of schools.
9. Classroom observations, scrutiny of pupil books, analysis of data and evidence trails allow for pupil progress to be analysed in depth and over time.

#### **Areas for improvement – we are taking steps to:**

1. explore and refine subject specific qualifications to ensure qualifications are accessible and pupils' accredited outcomes reflect their progress;
2. close the 50% gap in the proportion of 'Girls' who meet and exceed expected outcomes in Maths and the 10% gap in the proportion of 'Girls' who exceed expected outcomes in Maths;
3. further close the 15% gap in terms of outcomes met and exceeded in the core subjects, between pupils receiving pupil premium and their peers;
4. ensure the curriculum meets the needs of contextually lower and higher ability pupils;
5. raise the proportion of pupils with Primary Need – 'Other' who exceed expected progress in the core subjects;
6. raise the proportion of progress expectations met and exceeded in DT & French; and
7. refine assessment procedures, including MNU, using Woodlane's 'house style'.

Area for Improvement	What?	Who? (Lead)	Success Criteria?	When?	Progress	Cost
1. Explore and refine subject specific qualifications to ensure qualifications are accessible and pupils' accredited outcomes reflect their progress.	<ul style="list-style-type: none"> <li>Explore changes to the PE BTEC for contextually higher ability pupils.</li> <li>Introduce a new 'cooking' qualification that caters for both higher and lower ability pupils at Woodlane and builds valuable life skills.</li> <li>Explore mother tongue foreign languages for pupils with the ability to access the exams.</li> <li>Explore higher tier GCSE/qualification options for contextually higher ability Year 10 pupils in English/Maths/Science and PE.</li> <li>Explore options for Entry Level Art to ensure lowest ability learners are still able to complete a recognised qualification and the school has the ability to adapt to a changing cohort over time.</li> <li>Introduce the AQA Unit Award Scheme to allow for certification of Music, certification of modules in Humanities where a pupil is an unsuitable candidate to complete the full course, and provide opportunities for lower ability learners to achieve in subjects where Entry Level</li> </ul>	<p>(TH) (PB)</p> <p>(EA)</p> <p>(CT)</p> <p>Subject Leaders</p> <p>(RF)</p> <p>(TH) SW/CT/CT</p>	<ul style="list-style-type: none"> <li>Changes to qualifications are made early in the Autumn Term to allow Year 10 pupils the full teaching time to achieve the best possible outcomes.</li> <li>BTEC Level 2 or equivalent qualification in PE is introduced.</li> <li>Pupils in Year 10 who require a higher PE qualification to meet expected progress have the opportunity to achieve this.</li> <li>Pupils in Year 10 have an opportunity to start a 'cooking' qualification at GCSE level.</li> <li>Pupils reflect on their increased independence in the kitchen.</li> <li>Parents comment on pupil's increased ability in cooking and motivation to do this at home.</li> <li>Pupils who speak a mother tongue</li> </ul>	Autumn Term	<ul style="list-style-type: none"> <li>Following review decision made regarding PE qualification.
