12th September 2018

Dear Parents/Carers

RE: Curriculum Maps

Please be advised that Woodlane 'Curriculum Maps' can be found on our school website under each subject area.

Our Curriculum Maps provide an overview of the topics, content and skills covered over a 5 year period in each subject at Woodlane High School. However, it should be noted that as each pupil is an individual, whose knowledge and skill level may vary, further differentiation or personalisation may be required, which will not always be detailed on the Curriculum Map. For example, if a pupil needs to develop early or basic skills before they can progress onto more advanced concepts and skills, this will take priority.

You may also find our Curriculum Maps useful if you are providing extra support/tuition at home or if you are helping your child revise.

Yours sincerely

Claire Maynard
Headteacher
