**Thursday 24th January**

## Re: Creative Maths Workshop

Dear Parents,

We would like to invite you to a **parent and child creative maths workshop** evening which will be facilitated by Mr Patel and Mr. Best, on Wednesday 30<sup>th</sup> January from 15:30 – 16:30.

We will be discussing the importance of understanding number, money and mental arithmetic to support your child in everyday life. We hope that you and your child will benefit from us all working together to improve your child's independence and confidence in maths. There will be some practical activities for you and your child to participate in during the evening.

We will hand over a booklet with activities and mental maths strategies to consolidate learning and support your child at home. All the activities have a strong emphasis on family fun so everyone can get involved.

The meeting is open to all parents at Woodlane. It will give you the opportunity to meet and talk with us as well as other parents.

Please complete the slip below and return this to school if you would like to attend. Feel free to contact Mr. Best if you have any questions about this event. There is limited availability for this workshop

Kind Regards,

---

Mr. Best & Mr Patel

### Creative Maths Workshop

Child's name \_\_\_\_\_ Class \_\_\_\_\_

Parent/Carer's name \_\_\_\_\_

I/we would like to attend the parent and child creative maths workshop evening on Wednesday 30th January 2019 at 15:30 – 16:30

Any concerns/questions.
