**Parent volunteers required for Friends of Woodlane (PTA)**

Dear Parents/carers,

Friends of Woodlane, a registered charity and school PTA are recruiting for various voluntary positions to help them fundraise for the students at Woodlane.

Friends of Woodlane is a group of likeminded parents and carers who want the best for the school and the children. Previously we have held summer and winter fetes to raise funds for the Friends of Woodlane. We need your help with future events such as international day, cake sales, summer fete, Easter parade, Halloween party. Once we have a team we can set up dates and days that are convenient for everyone to start making exciting fundraising events.

So if you feel this is you and you would like to get involved, then please sign the reply slip underneath or contact me on the details provided.

I look forward to meeting our future team.

Anissa Ilyas

---

I would like to join the Friends of Woodlane (PTA)
