## RE: Autism Awareness Level 1 Qualification

Dear Parent/ Carer

I would like to invite you to our Autism Awareness level 1 qualification on **Wednesday 13<sup>th</sup> November from 3.00pm – 4.30pm**. The training will be hosted by professional training provider 'Ambitious about Autism'. You will be accredited with the Level 1 qualification at the end of the training. There are limited spaces for this qualification. So, please return the reply as soon as you can!

This training will support parents/carers to know the importance of understanding the child and their profile of strengths and areas for development. There will be helpful strategies on supporting your child on the autism spectrum to build positive relationships with staff, peers, families and people in the community. It will provide information on sensory and communication differences that your child may experience. This training qualification is led by experts in autism that will give you a valuable insight in supporting your child with autism. If your child does not have autism, you are also more than welcome to attend. Your child is welcome to stay at school during the training. They will join an after school club.

The school is keen to offer further training courses for parents in the future to build a strong parent partnership. For more information about Ambitious about Autism, please visit their website- <https://www.ambitiousaboutautism.org.uk/about-us>

Yours sincerely

Mr Best

Transition Leader
