Dear Parents and Carers

Re: COVID-19 (Coronavirus) – School Closure Update

We hope all our pupils and their families are remaining healthy, both mentally and physically, during this challenging period. **Please see advice from Hammersmith and Fulham's Educational Psychology Service (EPS) attached.**

Please be advised that unfortunately the school now has several reported, suspected cases. We ask that all families are extra vigilant and follow the government guidelines, looking out for any possible symptoms. Should you, your child or anyone in your family develop symptoms and you are concerned please contact NHS 111 to seek advice and let the school know by emailing admin@woodlane.lbhf.sch.uk.

In line with government guidelines and advice, we are in the process of organising supermarket vouchers for all pupils who are eligible and registered for Free School Meals (please note, this does not include those pupils receiving free school meals through our universal free school meals offer).

Later in the week, we will email supermarket e-vouchers totalling £3.00 per day, per pupil, for the period up until the Spring Break. Please look out for these vouchers. If we **do not** have a valid email address for your family please ensure you contact admin@woodlane.lbhf.sch.uk, as a matter of urgency. Please also contact us if you believe you are eligible for Free School Meals but not yet registered.

Please do not hesitate to contact us if you require any additional support. Stay safe, look after each other and your families.

Yours sincerely

Claire Maynard
